

SHARIQ DILMURAD ZAI

03208131452 | shariqpatrolsolution@gmail.com | Karachi, Pakistan

PROFESSIONAL SUMMARY

WordPress Developer and Web Designer with 3+ years of practical experience in designing, developing, customizing, and maintaining professional websites. Experienced in building and managing 30+ websites with a strong focus on responsive design, usability, performance, WordPress customization, basic UI/UX, on-page SEO, Photoshop, content management, and data entry. Progressed from design work into web design and WordPress development while supporting a wide range of business and service-based website projects.

EXPERIENCE

WordPress Developer Petrol Solution Karachi, Pakistan - Developed and maintained professional WordPress websites with a focus on usability, performance, responsive design, and brand consistency. - Customized WordPress themes, page builders, layouts, navigation, forms, widgets, menus, and content sections according to project requirements. - Built responsive website pages for desktop, tablet, and mobile devices while maintaining clean visual structure and consistent presentation. - Applied on-page SEO fundamentals including headings, meta information, image optimization, internal linking, and SEO-friendly page structures. - Managed website content, plugin and theme updates, troubleshooting, backups, performance improvements, and routine WordPress administration.
